The Ambassador

Moscow, May 25, 2017

Dear Academician Sigov,
Dear Professor Kudzh,

Let me congratulate you and the whole team of Moscow Technological University "Moscow Institute of Radio-engineering, Electronics and Automation (MIREA)" on its 70-th anniversary.

Your University has always played a key role in the development of the Russian science and engineering education. Established as All-union Distance Learning Power-engineering Institute in 1947, nowadays it has become a leading educational and research center of Russia. The name "MIREA" embodies scientific achievement of the highest quality and strive for new knowledge.

I am especially pleased that your University cooperates with leading research centers my country, thus playing an important role in forging scientific cooperation between Switzerland and Russia.

Once again, I would like to wish you and your colleagues all the best in your honorable mission.

Sincerely yours,

Yves Rossier
